

Minance Manual

[Binance Clone](#)

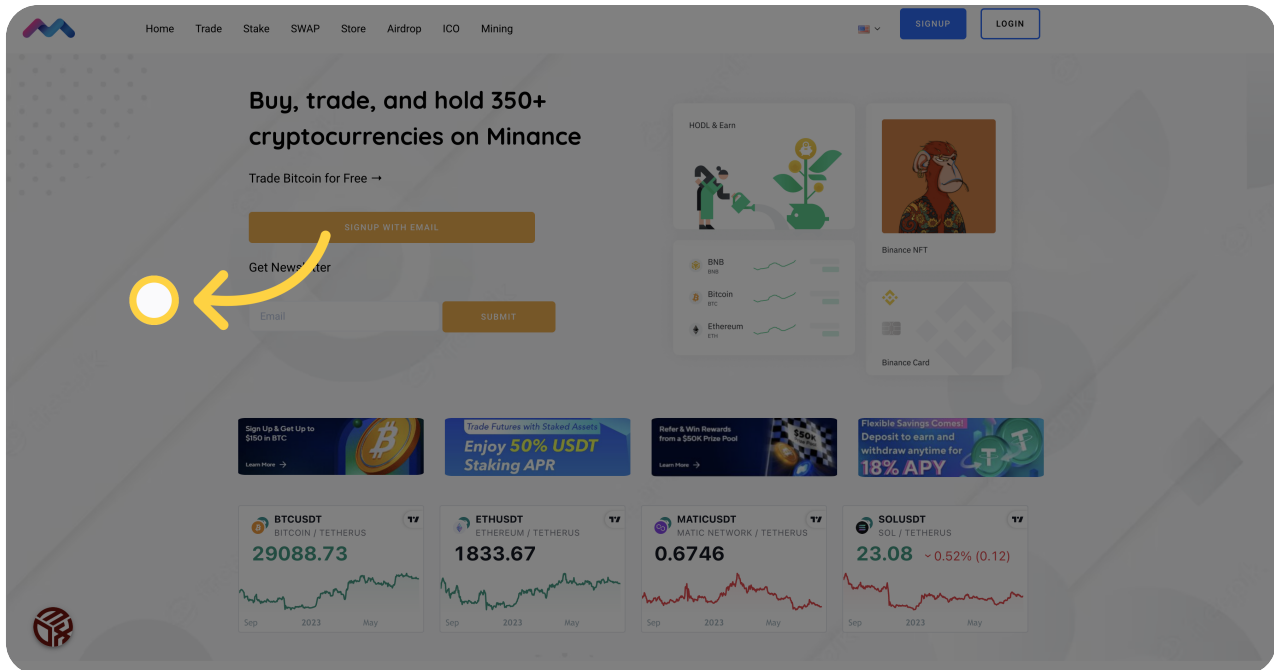

Learn how to navigate and use the features of Miracuvex with this comprehensive guide.

Go to minance.miracuvex.com

01 Click "Buy, trade, and hold 350+ cryptocurrencies on Minance

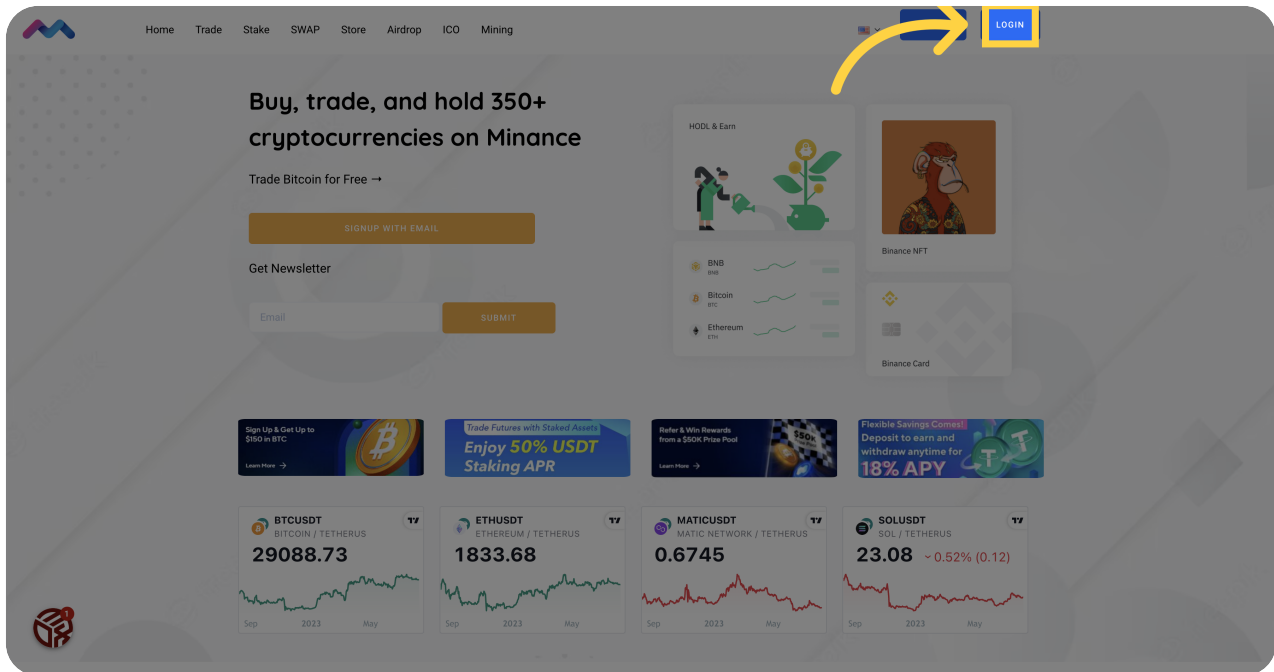

...

Buy, trade, and hold over 350 cryptocurrencies on Miracuvex.

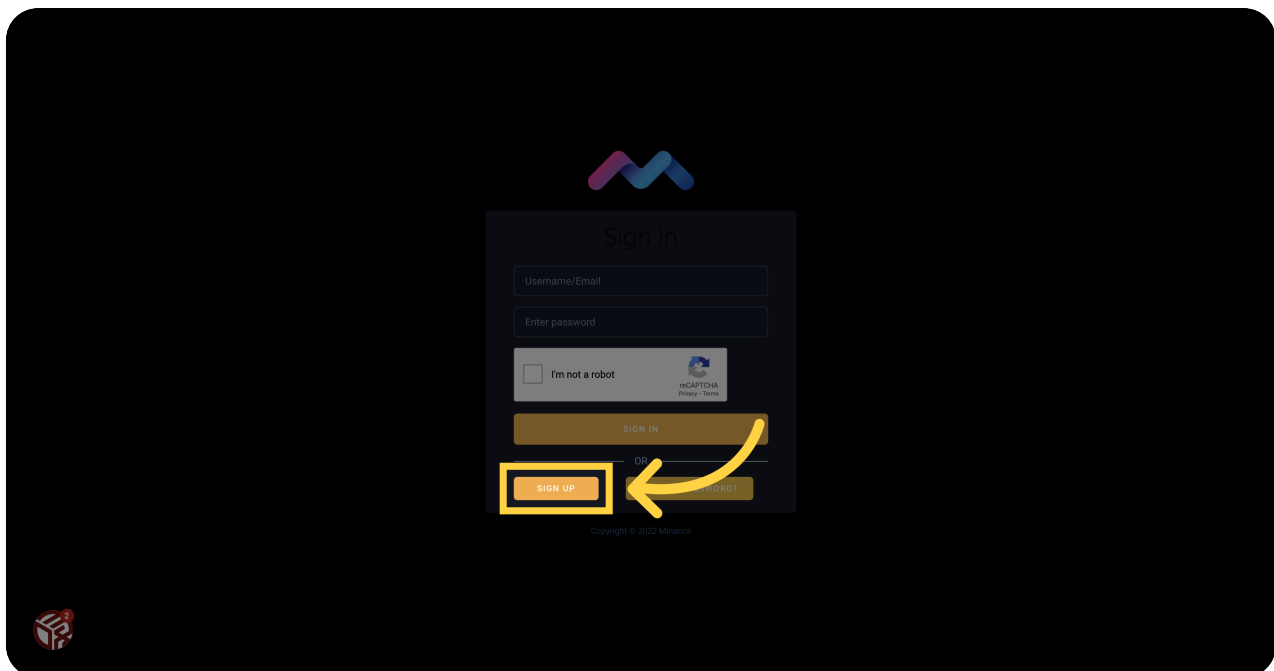

02 Click "Login"

Login to your Miracuvex account.

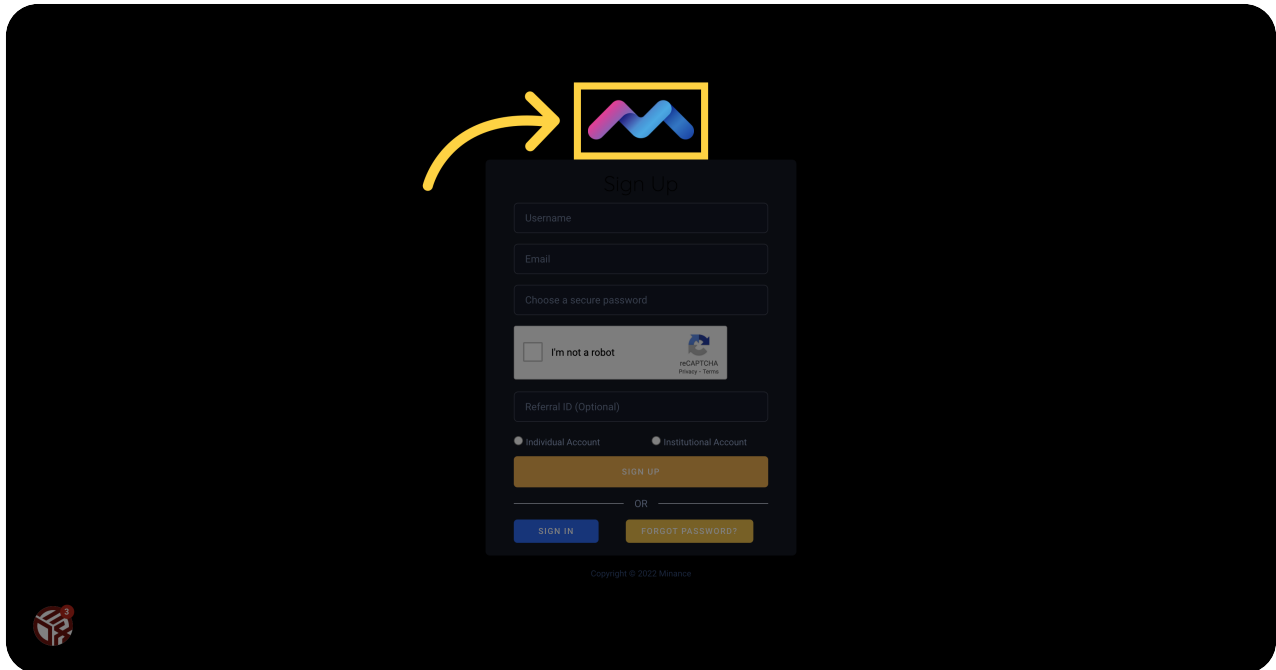

03 Click "Sign Up"

Sign up for a new account on Miracuvex.

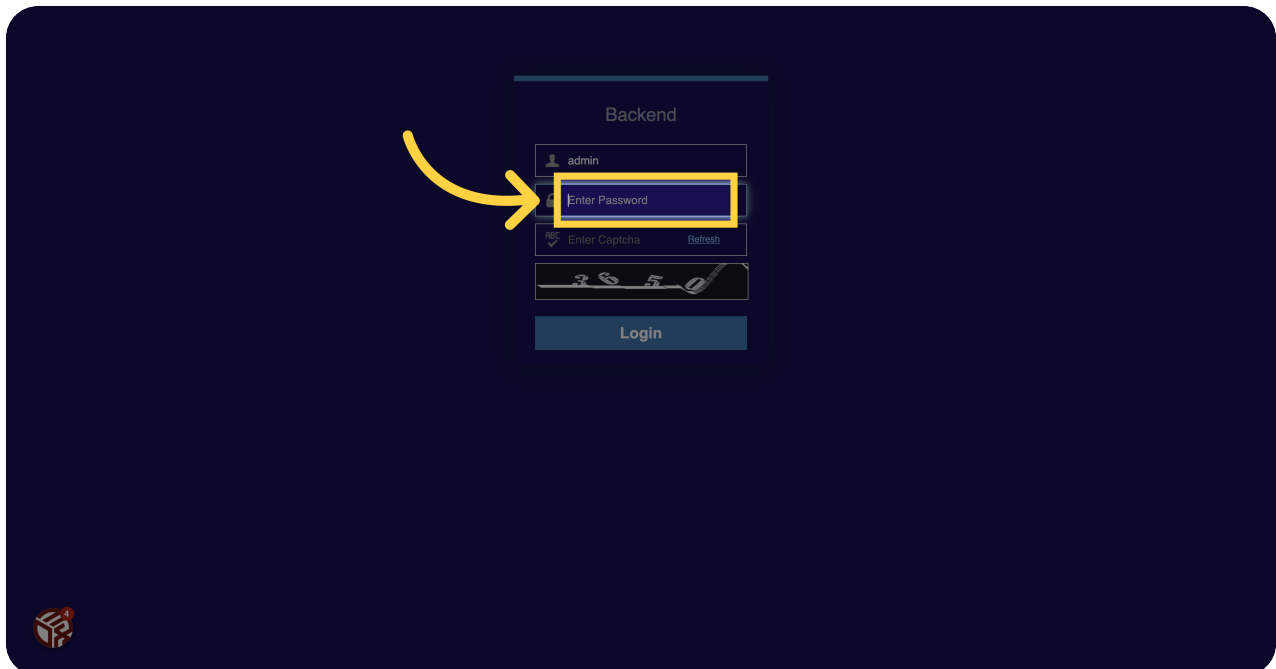

04 Click here

Click on the specified location.

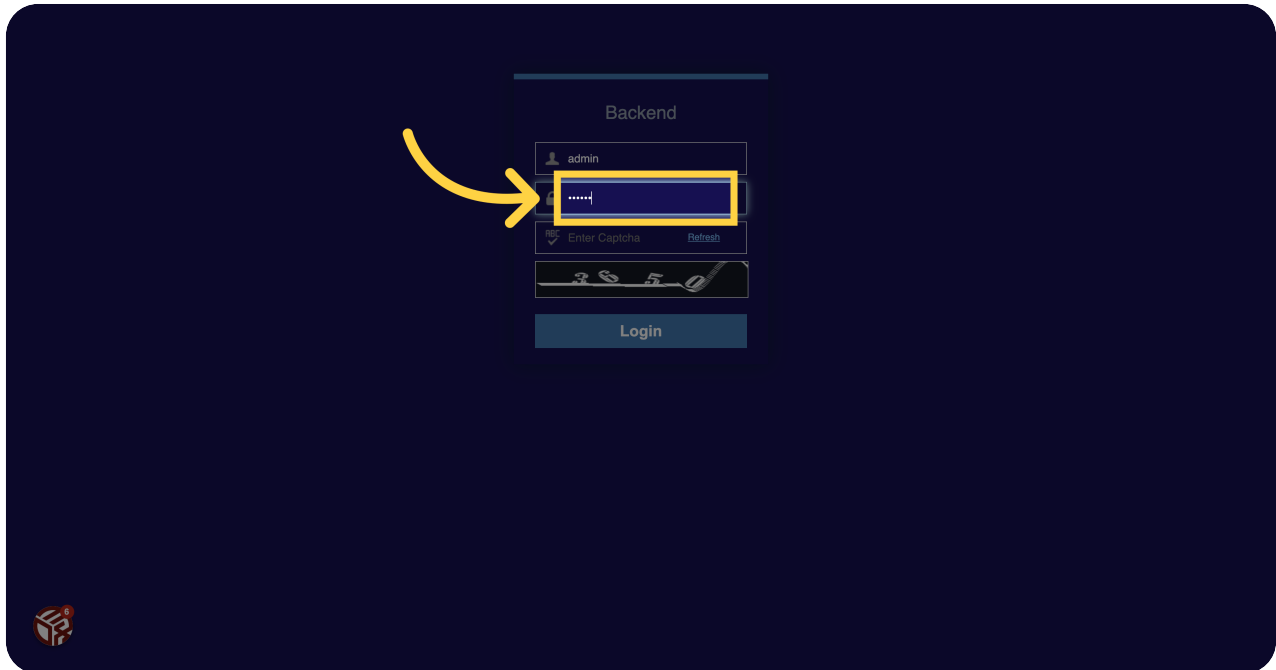

05 Go here

Go to the specified location.

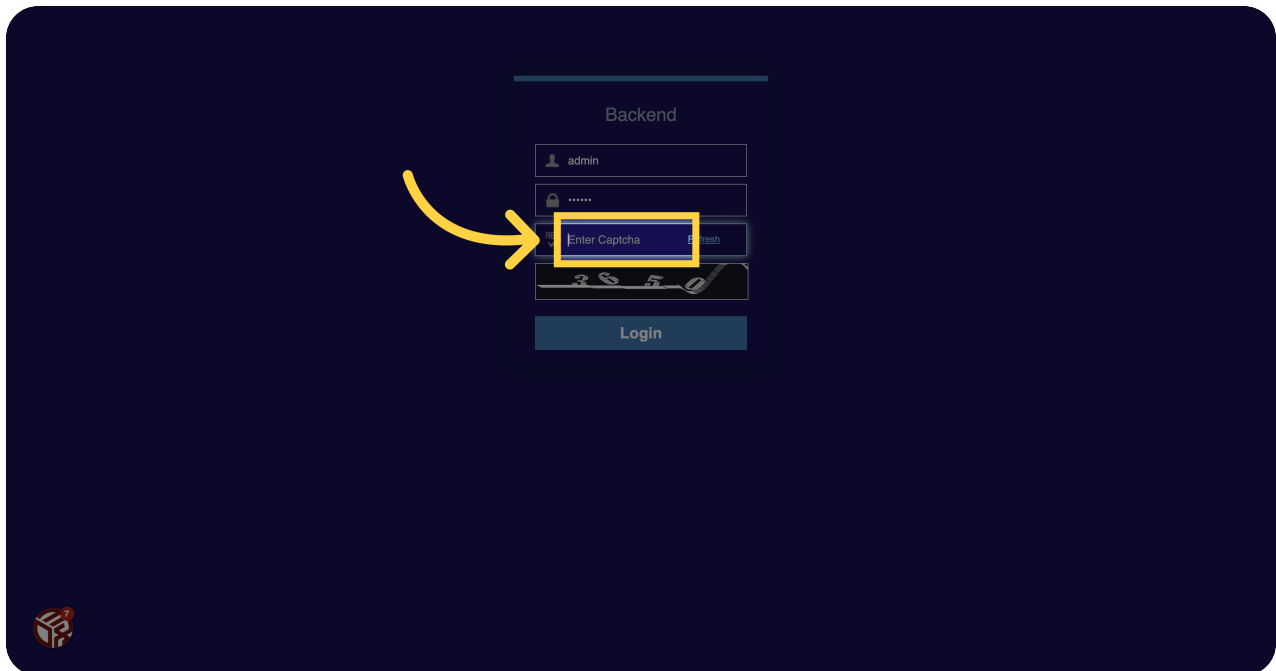

06 Fill "Enter Password"

Enter your password in the designated field.

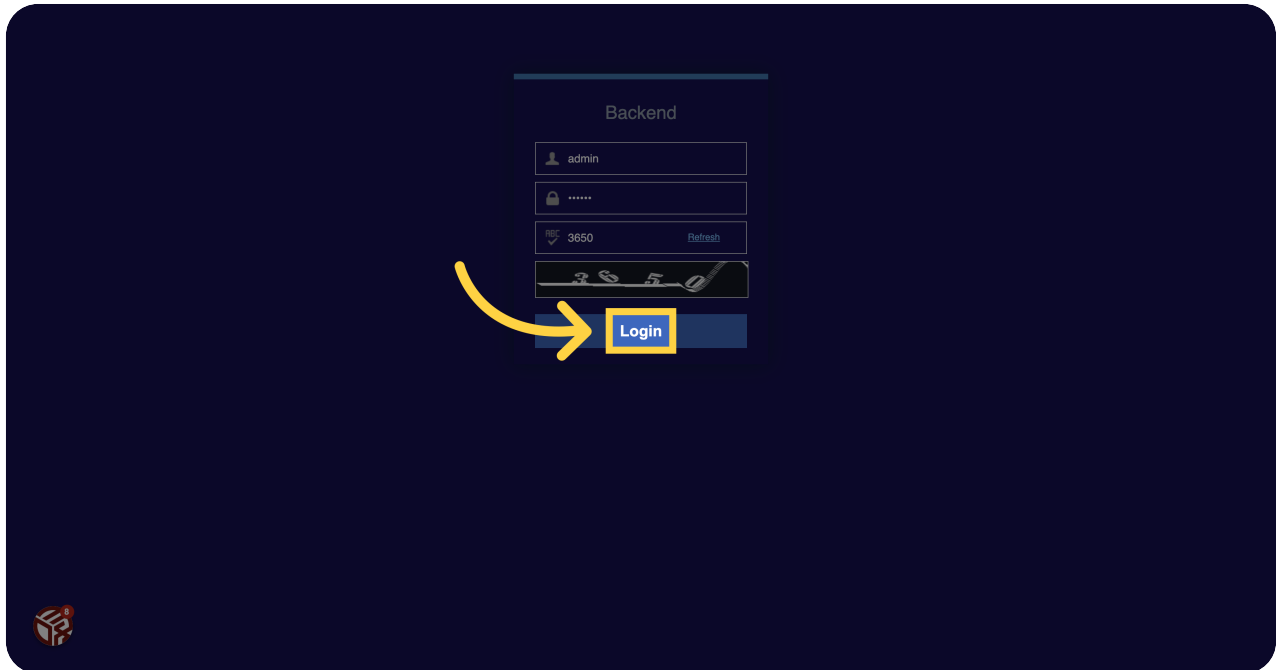

07 Click "Enter Captcha"

Enter the Captcha code as shown.

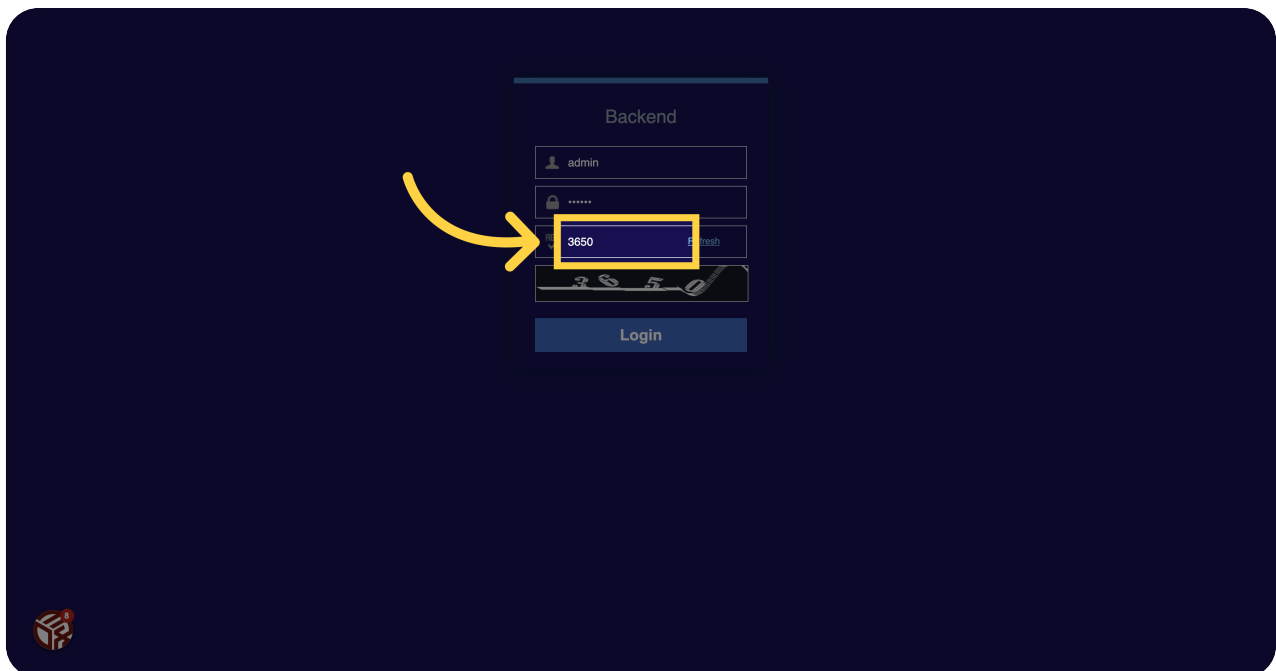

08 Click "Login"

Click the Login button to access your account.

09 Fill "3650"

Enter the amount "3650" in the specified field.

10 Click "Shortcuts"

Coins

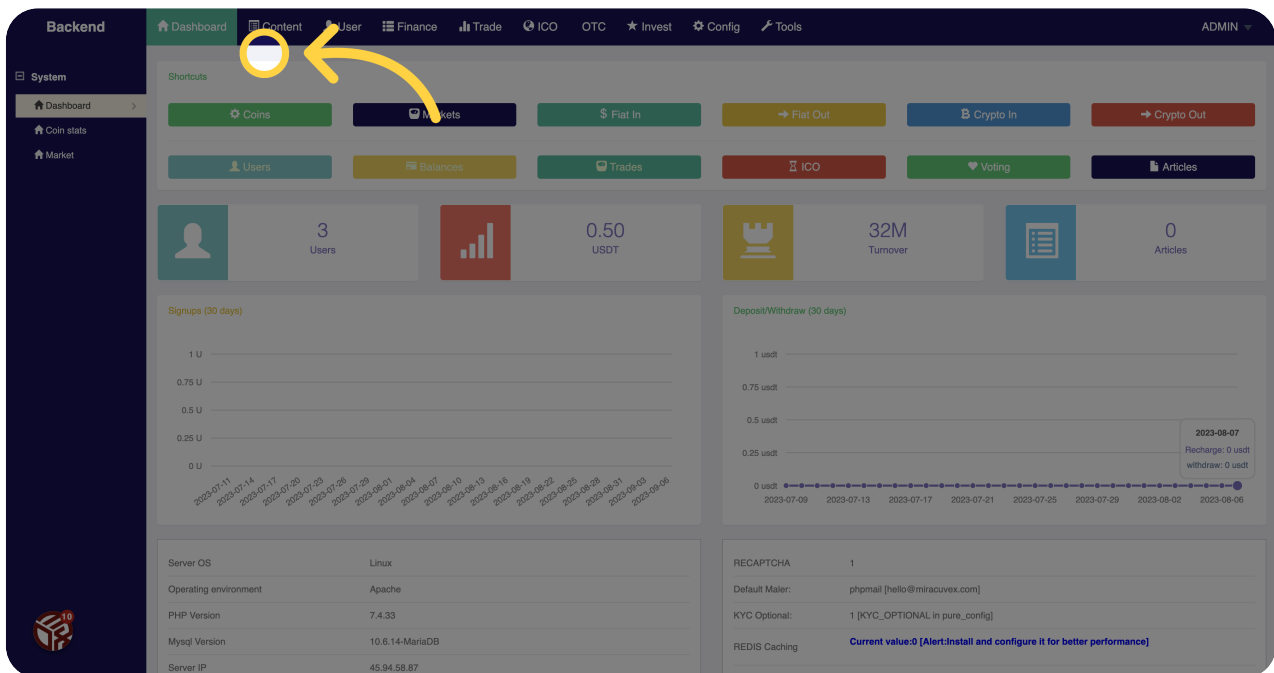

Markets

Fiat In

Fiat Out

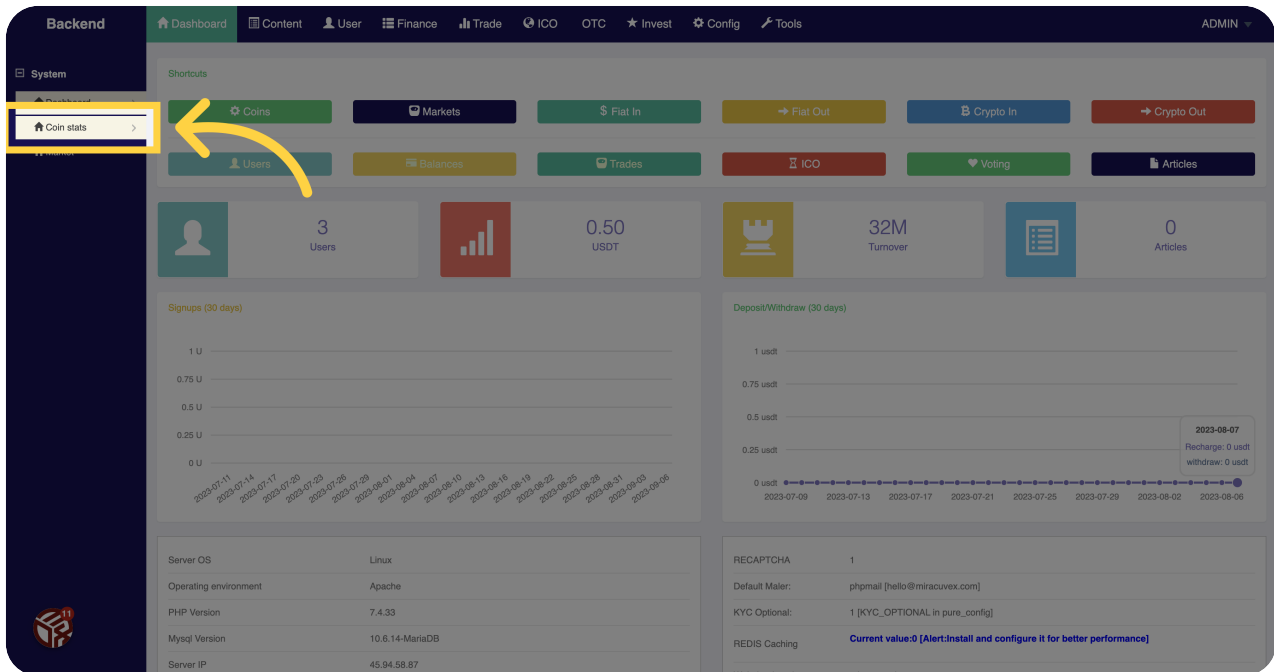

...

Access the shortcuts menu to navigate between coins, markets, fiat in, fiat out, and more.

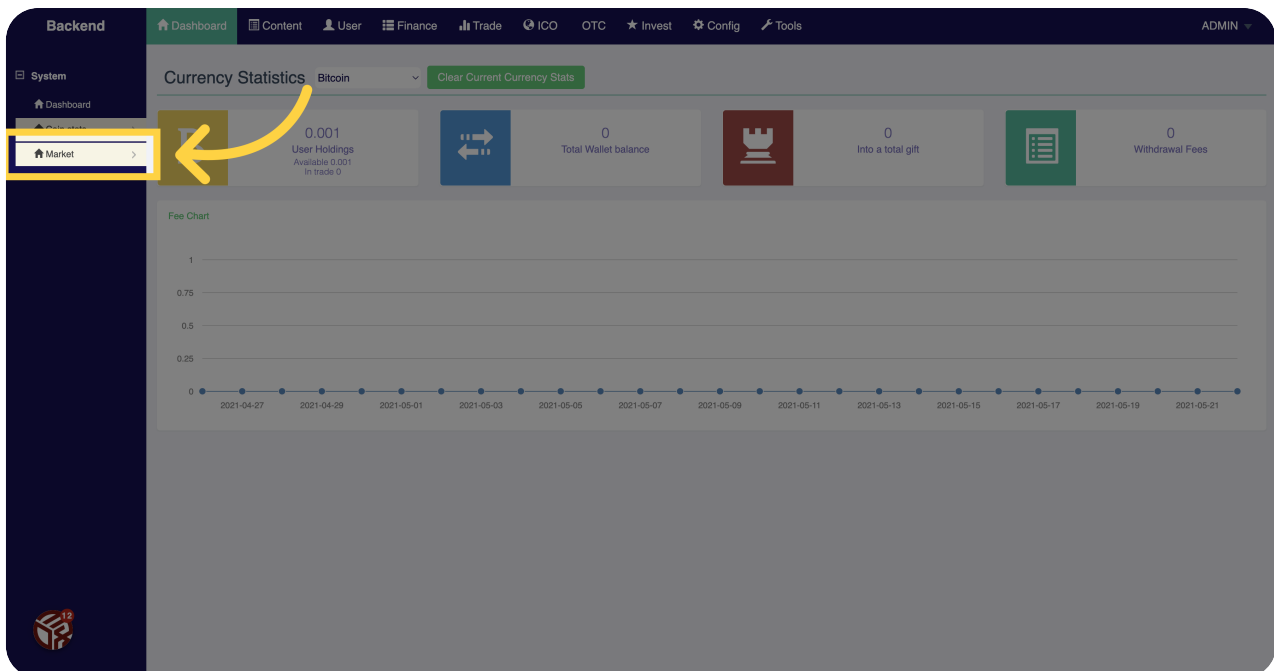

11 Click "Coin stats"

View the statistics and information for a specific coin.

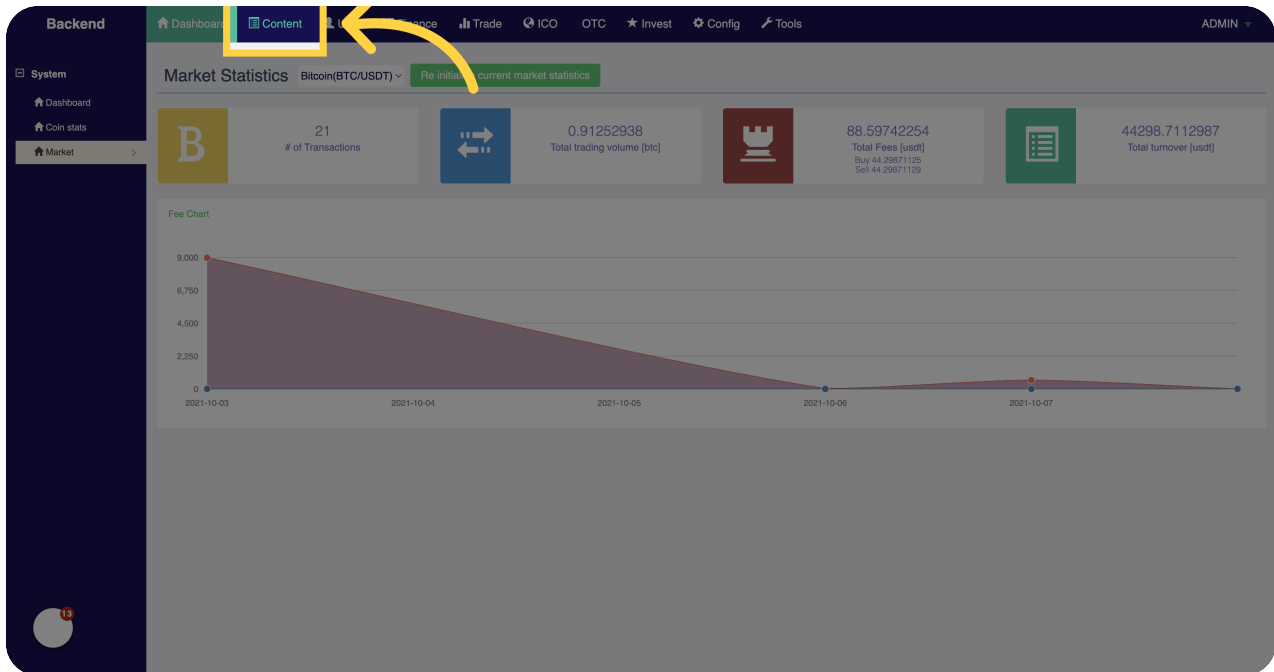

12 Click "Market"

Access the market section on Miracuvex.

13 Click "Content"

Access the content section on Miracuvex.

14 Click "Categories"

View and access different categories on Miracuvex.

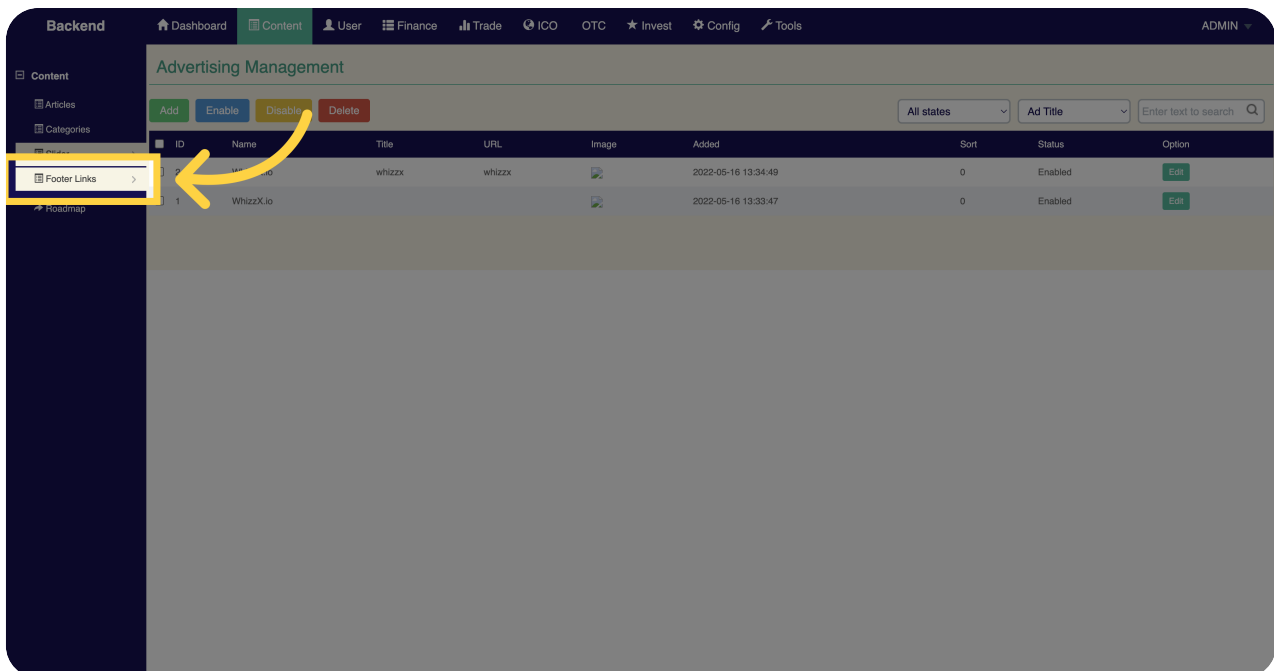

15 Click "Slider"

Access the slider section on Miracuvex.

16 Click "Footer Links"

Access the footer links section on Miracuvex.

17 Click "Roadmap"

View the roadmap for Miracuvex.

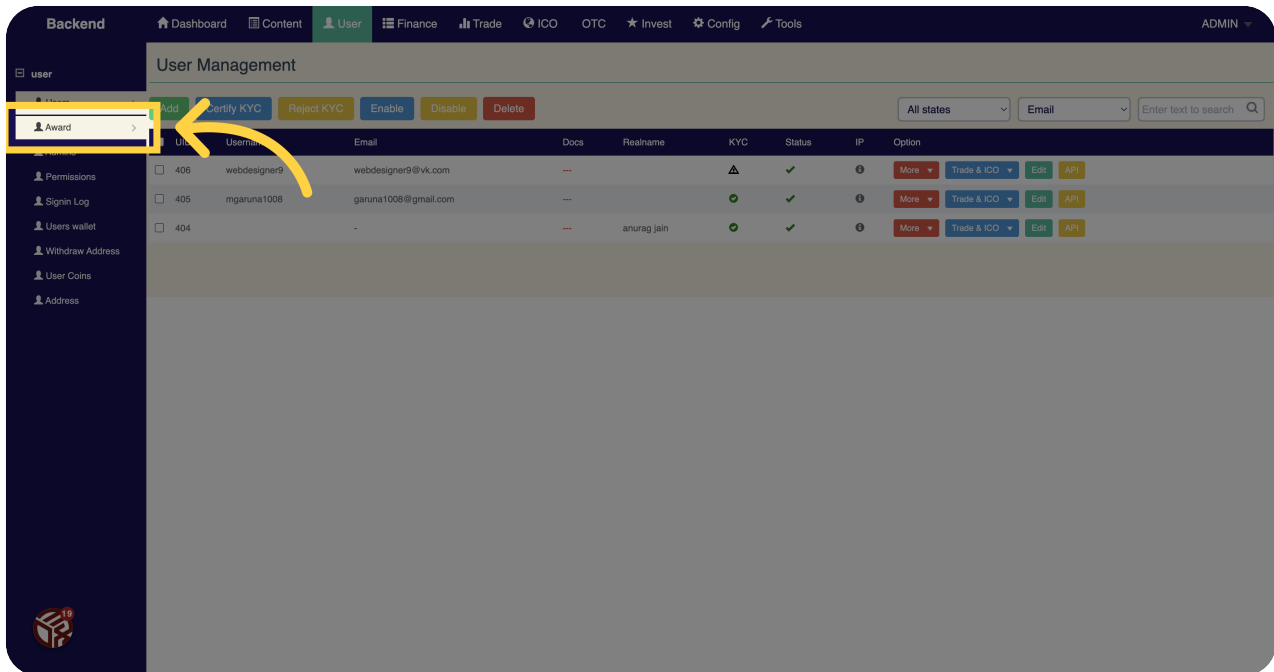

18 Click "User"

Access the user section on Miracuvex.

19 Click "Award"

View and access the award section on Miracuvex.

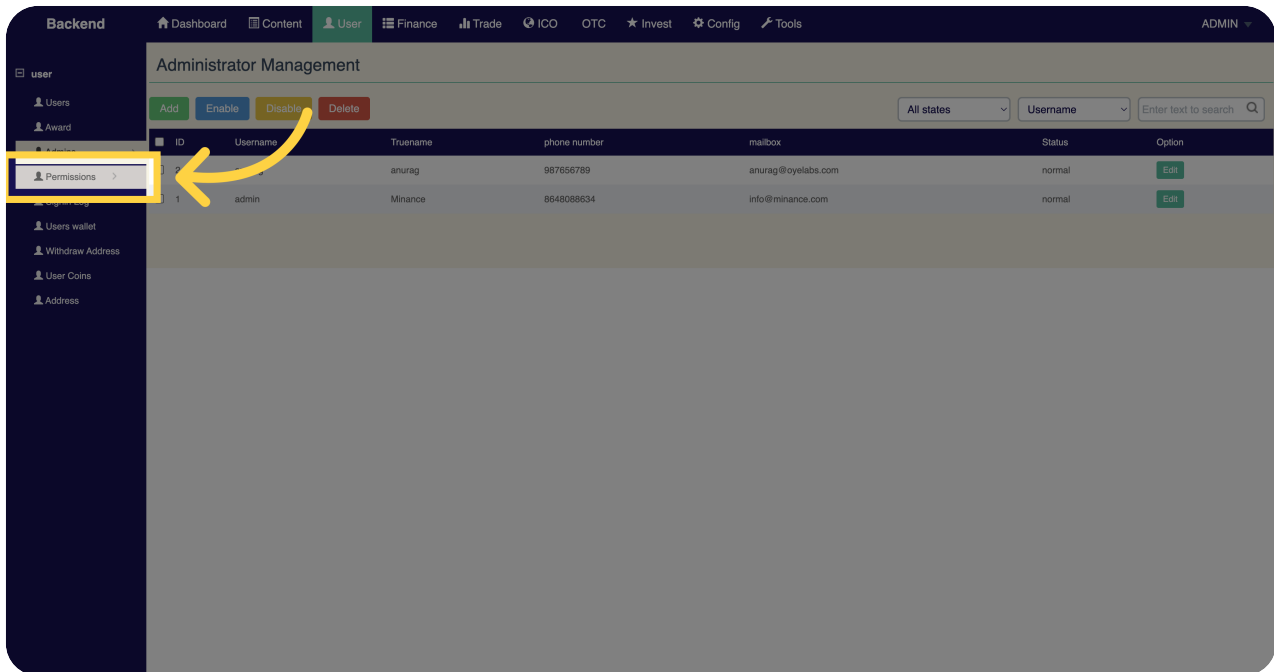

20 Click "Admins"

Access the administrators section on Miracuvex.

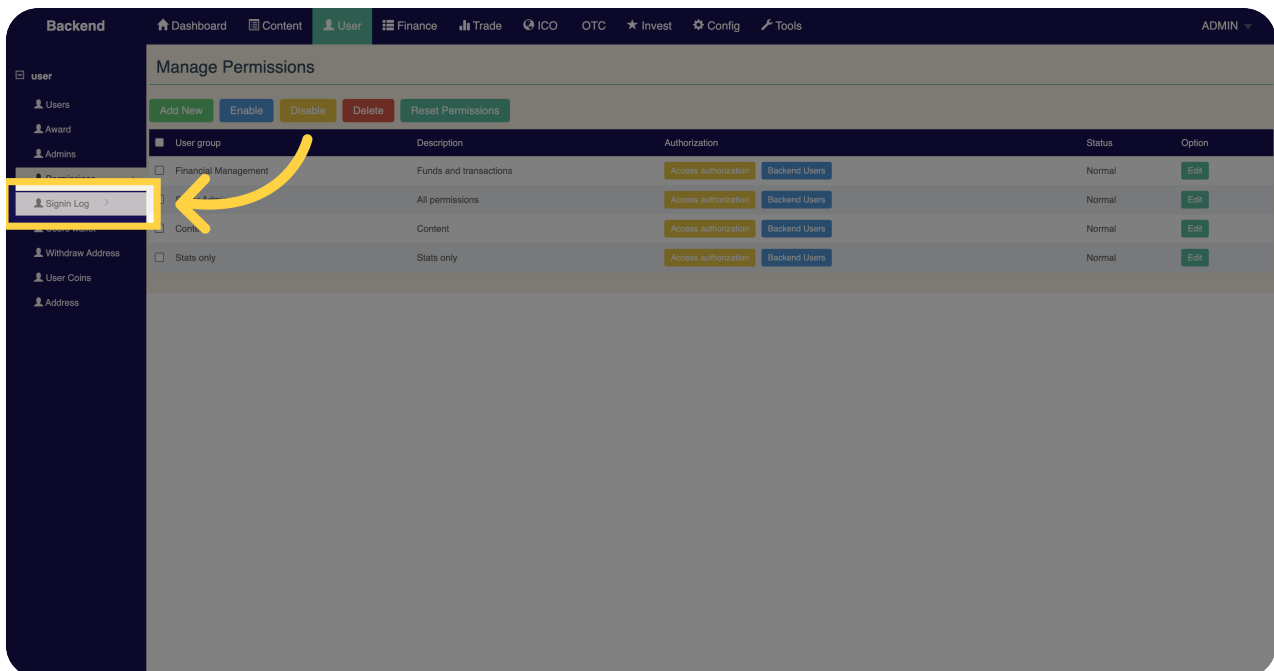

21 Click "Permissions"

Access the permissions section on Miracuvex.

22 Click "Signin Log"

View the sign-in log for your Miracuvex account.

23 Click "Users wallet"

Access the wallet section for users on Miracuvex.

The screenshot shows the 'Log' page in the Miracuvex Backend. The left sidebar has a menu with 'Users wallet' highlighted. The main content area shows a table of login logs with columns: ID, Username, Types of, content, operatingip, Operating time, Status, and Option. The table contains 15 rows of data, all with a status of 'Available'.

ID	Username	Types of	content	operatingip	Operating time	Status	Option
1277	mgaruna1008	LOG IN	LOGIN WITH USERNAME	106.196.19.227	2023-06-13 17:22:41	Available	Edit
